REPORT NARRATIVE

SYNOPSIS:

On 3-30-17, at about 1833 hours, Vanessa Nunez intentionally left her 1 year old son in her vehicle for about 25 minutes and accidentally locked the keys inside near 921 Seacoast Drive in Imperial Beach. Nunez requested deputies respond to unlock her vehicle. While assisting Nunez in unlocking her vehicle, deputies noticed the objective signs and symptoms of her being under the influence of alcohol. Additionally, her vehicle had counterfeit registration tabs affixed to her rear license plate.

While attempting to place Nunez under arrest, she violently resisted by kicking and grabbing deputies while still holding her 1 year old child in her arm. While Nunez was resisting efforts to place her in handcuffs, she was thrashing her arms which resulted in her fracturing her upper right arm. Nunez was eventually taken into custody and seen by paramedics. Nunez was transported to Sharp Coronado Hospital where she was treated for her injuries.

Nunez was transported to the Las Colinas Detention Facility and booked into jail for PC 273A(A) - Felony Willful Cruelty to Child without Injury, PC 69 - Felony Resisting Executive Officer with Minor Injury, CVC 4463(A)(1) - Forge Vehicle Registration, PC 647(F) - Drunk in Public, CVC 23223 - Open Container of Alcohol in Vehicle - Driver, and IBMC 9.04.010 - Consumption of Alcohol in a Public Place.

ORIGIN:

On 3-30-17, at about 1833 hours, I was dispatched to a radio call of a citizen needing assistance in unlocking her vehicle door where her 1 year old son was locked inside at 921 Seacoast Drive in Imperial Beach (CAD E4056640).

BACKGROUND: None

INVESTIGATION:

I arrived at about 1836 hours and contacted Vanessa Nunez. I saw a young child in the driver side rear seat crying. All of the vehicles windows were up. All doors to the vehicle were locked. The temperature outside was about 56 degrees Fahrenheit. The car was turned off and no air conditioning was running. I took the following statement from Nunez. Deputy Valencia #7366 arrived to assist me with the radio call.

STATEMENT OF VANESSA NUNEZ (Suspect):

Nunez is the registered owner of a 2003 Mazda MPV. Nunez explained that the only key to the vehicle has been stuck in the vehicle's ignition for a long time and she cannot remove it. Nunez typically does not lock her doors. Nunez was inside her vehicle and needed to use the restroom so she took her two younger daughters, (b)(5)(B) (3 years old) and (b)(5)(B) (7 years old) to the public restrooms

nearby in Pier Plaza. Nunez intentionally decided to leave her 1 year old son, (b)(5)(B), inside the vehicle restrained in his car seat. Nunez returned to her vehicle after using the restroom about 10 minutes later and discovered she accidentally locked the doors to her vehicle with the key still stuck in the ignition. Nunez left her phone inside the vehicle as well. Nunez went to the liquor store nearby and used their phone to call the police to assist in opening her door.

INVESTIGATION (Cont.):

While speaking to Nunez I noticed a very strong odor of an alcoholic beverage emitting from her breath and person. Nunez had a slurred speech, was loud, and boisterous when speaking. Nunez had bloodshot red watery eyes.

The Imperial Beach Fire Department responded and was able to unlock her vehicle. (b)(5)(B) was crying uncontrollably and was visibly scared. At this point, (b)(5)(B) had been locked inside the vehicle for about 25 minutes. Nunez picked up (b)(5)(B) and held him in her arms to calm him down. Nunez's other daughters were standing next to her. I looked inside the vehicle and saw a large brown glass beer bottle, "Lagunitas IPA" inside the driver side cup holder. The beer was about 1/3 full and opened. Nunez admitted that she was drinking a beer inside her car before I arrived.

Deputy Valencia conducted a records check on the license plate CA (b)(5)(B) using Sheriff's Dispatch and it was revealed the car's registration was expired as of January 2016. I looked at the rear license plate and the registration tabs were for December 2017. A closer examination of the tabs revealed they were made out of a thin paper like material and were affixed to the license plate with an adhesive. I knew based on my training and experience that these tabs were counterfeit because they were made out of paper and were not the typical heavy duty stickers issued by the DMV. In general, people counterfeit false registration tabs to avoid having to pay DMV registration fees or for a vehicle is not eligible to be registered. I used my fingers to peel off the DEC month counterfeit tab. When I gently pulled off the tab, it ripped into a few small shreds of paper. I did not take a photograph of the tab prior to removing it.

Deputy Valencia requested a tow truck respond to our location to impound Nunez's vehicle per Storage Authority 22651(o)(1) CVC, Expired Registration over 6 months and a day. When Deputy Valencia told Nunez her vehicle was being towed and she would be cited Nunez began yelling hysterically. I asked Nunez for her driver's license and she said, "No I'm not giving you my ID!" I requested her driver's license or a form of identification since her vehicle was being towed and she was going to be cited. After asking her multiple times and Nunez refusing to give me her driver's license multiple times I decided to reach inside her purse to retrieve the license which was sitting on the front passenger side seat in plain view. Nunez still had (b)(5)(B) in her arms. Nunez was still yelling hysterically at Deputy Valencia and myself saying, "You can't tow my car you stupid bitch!" Eventually, Nunez told me she would finally give me her driver's license. Nunez walked over to her purse on the front passenger side seat and began searching through her purse. Nunez grabbed my right forearm in an effort to prevent me from being near her and pushing me away. Deputy Valencia tried grabbing Nunez's purse. Nunez grabbed Deputy Valencia's forearm with her hand.

Up until this point, I was using my discretion to not place Nunez under arrest for PC - 647(f) Drunk in Public since she had three small children with her and no other adults to supervise them. I told Nunez she needed to call someone to come pick her up because I believed she was under the influence of alcohol in public and was a danger to herself and her children.

Nunez then turned around and began yelling hysterically again. It was apparent Nunez was not going to provide me with her driver's license and was becoming more hostile. I decided to place Nunez under arrest for PC 647(f) - Drunk in Public. Nunez was still holding (b)(5)(B) in her left arm. I told Nunez to put (b)(5)(B) on the ground but she refused to after about three commands to do so. Nunez was becoming increasingly hostile and yelling hysterically. I told Nunez, "Turn around and put your hands behind your back." Nunez refused to listen to my lawful command.

I grabbed Nunez's right wrist in an attempt to restrain her. Nunez broke my grasp swung her right arm at me in an attempt to strike me. I dodged her attack and grabbed her right wrist again. Deputy Valencia took control of (b)(5)(B) and gave (b)(5)(B) to Deputy Rios #2158. I grabbed Nunez's left wrist and turned her around so her chest was leaning against the rear passenger side door of her vehicle. I maintained control of Nunez's wrists with her arms behind her back. Nunez was thrashing her arms and legs violently in an attempt strike me and break free of my grasp. Nunez was trying very hard to turn towards me. Nunez was still screaming hysterically. I told Nunez to, "Stop resisting and calm down". Nunez kicked her legs back towards my legs in an attempt to strike me. Nunez was keeping her arms apart near her hips and resisting my efforts so I was unable to place handcuffs around her wrists. While holding her wrists and waiting for another deputy to assist me in placing her in handcuffs, I heard and felt a "snap" come from Nunez's right arm as she was thrashing her arms.

I immediately let go of her right arm because I believed Nunez had possibly dislocated her shoulder or broke a bone in her arm. I told Nunez, "You just broke your arm, you need to calm down". I told Deputy Valencia that I thought Nunez just broke her arm and we need to be careful and not handcuff her. I requested paramedics respond to evaluate Nunez for injuries. Nunez was completely unaware that she had just broken her arm. Nunez continued yelling at me and said, "You punk ass little bitch, I bet you have a small dick!" I told Nunez again that her arm is possibly broken but she said, "Fuck you, my arm isn't broken!" I looked at her arm that was covered in a sweater. I could tell that her arm looked out of the ordinary and had an extra bend in between her elbow and shoulder. Nunez was still violently thrashing with her left arm and legs. I grabbed her sweater behind her back and used my body weight to hold her against the vehicle while Deputy Valencia held her left arm in place. Nunez kicked her leg back and struck my right shin one time and my right knee one time. Due to Nunez's injury to her arm and the probability that any additional movement to her arm would result in further serious injury, I did not use additional force to further restrain Nunez in an effort to prevent any further injury even though she had just kicked me two times. Nunez was eventually placed into a waist chain restraint attached to her left wrist only.

The force I used was reasonable and necessary to affect an arrest and overcome resistance. Nunez was displaying assaultive behavior and struck both Deputy Valencia and I. I used the minimal amount of force necessary and never had to escalate the force I used. If I had not used the force that I did, Nunez would have continued to grab, punch, and kick Deputy Valencia and I causing additional injuries. Additionally, the force I used was necessary to affect an arrest and prevent Nunez from driving away while intoxicated potentially getting into a car accident with her children inside.

At no point during the struggle did I unreasonably bend Nunez's arm. I did not use any form of pain compliance technique or control hold aside from grabbing her wrists and trying to bring them together to place her wrists in handcuffs. If she never resisted my lawful efforts to place her into handcuffs, her arm never would have been injured.

Deputy Valencia sustained a small scratch to her left upper hand during the struggle. I had redness to my right knee and shin from Nunez kicking me.

Imperial Beach Fire Department arrived along with AMR 413 EMT's to evaluate Nunez for injuries. They determined Nunez likely had a fracture to her arm and she needed to be transported to the emergency room.

Nunez's Mazda MPV was towed by American Towing under CVC Storage authority 22651(o)(1) - Expired Registration over six months and a day. Deputy Valencia removed the 2017 counterfeit tab from the rear license place of the vehicle.

Nunez was still very hostile and not cooperating with paramedics. She was eventually placed onto a gurney and into the back of an ambulance. Nunez was yelling, "I'm going to sue all of you fuckers" numerous times. While in the ambulance, she tried kicking EMT [REDACTED] (b)(5)(B) but did not hit him. AMR Ambulance 413 transported Nunez to Sharp Coronado Emergency Room.

Deputy Vlahakis #1005 supervised the three children until family arrived to take over custody. (b)(5)(B) [REDACTED], is Nunez' ex-boyfriend. He is also the father of [REDACTED] (b)(5)(B). He took custody of [REDACTED] (b)(5)(B) [REDACTED], the grandmother, took custody of (b)(5)(B) and [REDACTED] (b)(5)(B)

While at the emergency room medical personnel treated Nunez for her injuries. Multiple X-Rays were taken of her arm and it was determined she had a simple fracture to her upper arm between her elbow and shoulder. The doctor determined she did not require any surgery or hard cast and that the injury would heal on its own while restrained in a sling. Due to her high level of alcohol intoxication, medical staff could not safely give her too many pain medications. The doctor referred her to a specialist to have a closer look at her injury. Nunez admitted to the doctor that she drank a few beers earlier. Nunez was medically cleared for booking into county jail. Nunez signed a Sheriff's Medical Records Release form.

While searching Nunez's purse, Deputy Valencia found a receipt dated 3-30-17 at 4:37 pm from the IB Forum Sports bar and Grill located at 1079 Seacoast Drive in Imperial Beach. Nunez purchased three

"Idiot" IPA pints and food for a total bill of \$38.46. Deputy Valencia took photographs of Nunez' medication. She was prescribed 0.5 mg of Lorazepam (two pill bottles, Ativan), 10 mg of Zolpidem (Ambien) and 30 mg Paroxetine (Paxil). All prescriptions had warnings the drug may cause dizziness and drowsiness. They warned about operating a vehicle, vessel or machinery. Some indicated not to be taken with alcoholic beverages.

At the jail, Nunez told the jail intake nurse that she takes medications for depression and anxiety. Nunez was booked into jail for PC 273A(A) - Felony Willful Cruelty to Child without Injury, PC 69 - Felony Resisting Executive Officer with Minor Injury, CVC 4463(A)(1) - Forge Vehicle Registration, PC 647(F) - Drunk in Public, CVC 23223 - Open Container of Alcohol in Vehicle - Driver, and IBMC 9.04.010 - Consumption of Alcohol in a Public Place.

I put the digital photographs onto a CD and placed the CD into an evidence locker at the Imperial Beach Sheriff's Station. I placed the receipt and counterfeit tab into evidence.

Deputy Valencia wrote a supplemental report; see her report for further details. I made an emergency referral report with Child Protective Services and called them to inform them of the situation. That concluded my investigation.

REPORT NARRATIVE

ORIGIN:

On 03/30/17, at about 1834 hours, Sheriff's Communications Center received a call for a citizen's assist of a female who had locked her keys in a vehicle, along with a 1 ½ year-old child at 921 Seacoast Drive, Imperial Beach (E4056640).

DEPUTY'S OBSERVATIONS AND ACTIONS:

On 03/30/17, at about 1834 hours, Sheriff's Communications Center received a call for a citizen's assist whom had locked her keys in a vehicle, along with a 1 ½ year-old child at 921 Seacoast Drive, Imperial Beach in front of Market to Market Liquor Store. Deputy Arvanitis was dispatched to the call. I arrived at about 1840 hours. Deputy Arvanitis contacted a female, later identified by name and date of birth as Vanessa Marie Nunez, who stated she had locked her car keys in the vehicle, along with her 1 1/2 year-old son. Nunez informed us that she did not have a spare car keys. She only had one key and it was stuck in the ignition. Nunez stated she could not remove the car key from the ignition and it always remained in the ignition. Nunez intentionally left her son in the car while she took her two other children to the beach restrooms nearby and had somehow locked her purse, phone and child in the car. Nunez called police to open her car door instead of a locksmith or AAA.

As I looked inside Nunez' vehicle to make sure her son was not in distress, I saw an open glass bottle of Lagunitas Indian Pale Ale (IPA) in the cup holder. While speaking with Nunez, she emitted an odor of an alcoholic beverage, emitting from her person and breath. Imperial Beach Fire Department #39 arrived shortly after and opened her car door. I believed Nunez may be under the influence of an alcoholic beverage and did not want her to drive away from the location, in fear that she would collide and injure herself and/or her children. I requested she remove her dark sunglasses she was wearing to look at her eyes. When she did so, I could see her eyes were slightly red and glossy. I told Nunez I could smell the odor of alcoholic beverage emitting from her person and breath and had seen the open beer bottle in her vehicle. Nunez immediately became

defensive and stated she was not drinking and driving. I told her I never said she was drinking and driving, only that she had an open container in her vehicle. Nunez stated she was not doing anything wrong because she had been drinking inside her car. I told her she could not drink alcohol in public. Nunez responded by saying she was not in public and it was not illegal to do that. I told her she was; she was on the sidewalk and her vehicle was parked in the street, therefore, she was in public. Nunez stated her car was not a public place.

Nunez was in violation of:

9.04.010. Consumption in public places prohibited.

It is unlawful for any person to consume any spirituous, vinous, malt or other intoxicating liquors, containing more than one-half of one percent of alcohol by volume, or possess an open container of alcoholic beverage, on any of the streets, sidewalks, alleys, municipal pier, public beach, parking lot, public parking structures, including private parking lots and parking structures held open for public use, public parks, public playgrounds, public buildings, or public lavatories within the city except restaurants or other commercial establishments where on sale consumption is permitted by license of the state, or at a concession duly authorized by the city manager in compliance with the requirements set forth in Chapter 12.56 of this code, and in conjunction with a special event for which the sponsoring organization is properly licensed by the State Department of Alcoholic Beverage Control. (Ord. 95-893)

And

VC§ 23223. Possession of Open Container in Motor Vehicle

(a) No driver shall have in his or her possession, while in a motor vehicle upon a highway or on lands, as described in subdivision (b) of Section 23220, any bottle, can, or other receptacle, containing any alcoholic beverage that has been opened, or a seal broken, or the contents of which have been partially removed.

I gave Nunez the option of having a sober driver come pick her up and drive the vehicle from the location or the option of providing a preliminary alcohol screening (PAS) test to better evaluate her level of impairment. Nunez stated she only lived a few blocks away, on 7th Street. Nunez asked if she had to do a test. I told her it was voluntary and she did not have to if she did not want to, however I was concerned for her safety and that of her children. Nunez asked if she could get her crying son from the car. I told her she could. Nunez retrieved her child and also got her cell phone from the vehicle. I believed she was going to call someone to pick her up.

At this time, Community Service Officer J. Rivera, who had arrived to assist, informed me the vehicle's registration was expired. I walked to the back of the vehicle and checked the license plate through Sheriff's dispatch. I was informed the vehicle's registration was expired as of January 2016. However, the vehicle displayed 2017 year tabs. I did not see any Temporary Operating Permits displayed on the vehicle. I asked Nunez who the vehicle belonged to. She said it belonged to her.

The vehicle was in violation of:

VC§ 4000. Registration Required

(a) (1) No person shall drive, move, or leave standing upon a highway, or in an offstreet public parking facility, any motor vehicle, trailer, semitrailer, pole or pipe dolly, or logging dolly, unless it is registered and the appropriate fees have been paid under this code or registered under the permanent trailer identification program, except that an off-highway motor vehicle which displays an identification plate or device issued by the department pursuant to Section 38010 may be driven, moved, or left standing in an offstreet public parking facility without being registered or paying registration fees.

I chose to tow and store the vehicle, per:

VC§ 22651. Circumstances Permitting Removal of Vehicle

A peace officer, as defined in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code, or a regularly employed and salaried employee, who is engaged in directing traffic or enforcing parking laws and regulations, of a city, county, or jurisdiction of a state agency in which a vehicle is located, may remove a vehicle located within the territorial limits in which the officer or employee may act, under the following circumstances:

(o) (1) When a vehicle is found or operated upon a highway, public land, or an offstreet parking facility under the following circumstances:

(A) With a registration expiration date in excess of six months before the date it is found or operated on the highway, public lands, or the offstreet parking facility.

Initially, I planned on issuing Nunez a citation for the expired registration and tab and tow and store her vehicle. However, Nunez had not yet been identified by Deputy Arvanitis yet. I needed her identification for the citation. Nunez had only provided her name to Sheriff's dispatch. I requested Nunez' identification. Nunez refused to give me her identification. She stated she was not going to give me anything. Nunez became more upset and, again, stated she was not doing anything wrong. She informed me her step-dad was a Sheriff. I asked her what his name was. She refused to tell me his name. Because her step-dad had nothing to do with the current situation, I believed she was informing me of this information in an attempt to avoid getting a citation and getting her vehicle towed. I instructed Nunez to remove any property she desired from the vehicle prior to its storage. Nunez refused. Instead, she began to call her step-father, Deputy Ruben Gomez to complain about my actions.

In an attempt to identify Nunez and properly inventory the vehicle prior to its storage, Deputy Arvanitis began to search in the vehicle for her identification. Nunez saw Deputy Arvanitis standing in the passenger doorway of her vehicle. Nunez pulled Deputy Arvanitis' arm to try to stop him from looking further in her car. I got in between Deputy Arvanitis and Nunez. I used my body and extended my arms out to prevent her from getting close to him. She began shouting that we had no right to look in her car. She raised her hands near my face and began pointing at me with her right hand. Her hand came very close to coming in contact with my face. I told her not to touch me. I calmly tried to explain to her we were only looking for her identification since she had refused to provide it to us. Nunez stated she never refused to give us anything and did not want to listen to anything I had to say. Nunez then said she would get her driver license herself. We allowed her to get her purse and look for her identification. Nunez rummaged through her purse, but never provided her identification to us. She stopped looking for it and turned around to continue yelling at us. She yelled hysterically. She began to use profanity and demanded our names. Nunez then demanded our business cards. I gave her my business card with my name and contact information. She continued to yell. The entire time, she held her son in her arms and held the phone in her hand. I told her to put the phone down so she could listen to us. She refused. I reached down into the passenger seat to get her purse to have her look in it again. Nunez grabbed my right arm to prevent me from getting her purse. She yelled, "You can't do that."

At this point, Deputy Arvanitis chose to arrest her for 647(f) PC - Disorderly conduct (alcohol). He told her to place her hands behind her back. Nunez refused. Deputy Arvanitis grabbed her right arm to place handcuffs on her. I took Nunez's son from her left arm and held him, freeing her left arm to be handcuffed. As Deputy Arvanitis attempted to handcuff Nunez, she twisted her body to get away from his grip. Nunez thrashed around from side to side, kicking her feet backwards to kick us. As Deputy Arvanitis held her arms behind her back, Nunez pulled away so hard, she broke her right arm. Deputy Arvanitis told Nunez to stop moving because her arm was broken. Deputy E. Rios arrived to assist. I gave Deputy Rios the child to assist Deputy Arvanitis. I looked back and saw Deputy Arvanitis had let go of Nunez' right arm. Deputy Arvanitis requested IBFD and paramedics return to the location. Initially, Nunez did not seem to notice her arm was broken. She only continued yelling hysterically. Deputy Arvanitis told her to stop moving. I did not want Nunez to continue to injure herself. Because Nunez could not be handcuffed, I requested Deputy Rios to get waist chain handcuffs from my vehicle. This allows only one wrist to be handcuffed to the waist potion. I placed Nunez' left wrist in one handcuff. Sergeant L. Gurrola had also arrived to assist. Sergeant Gurrola pried Nunez' cell phone from her left hand. I held Nunez left arm and kept her body up against the side of her car until IBFD arrived. Even handcuffed, Nunez continued to kick us and try to get away from our hold. During this struggle, I sustained a small scratch to the top pf my right hand.

IBFD and American Medical Response #413 arrived and attempted to treat Nunez. Initially, she was uncooperative with them as well. She yelled and refused to be treated. She continued to demand a Sergeant be present, even though Sergeant Gurrola was already there and had already spoken with her. Eventually, paramedics were able to get Nunez' onto a gurney and into the ambulance.

Officer Rivera inventoried the vehicle and completed the tow form for the vehicle storage. He did not find any identification. I checked the vehicle's glove compartment for DMV registration information. I could not find any. I took photographs of the vehicle. While doing so, I noticed the 2017 year tab displayed was not made of DMV issued reflective material. It appeared the tab was made of paper and was glued with adhesive on top of the previous 2016 tab. I tried to remove the tab. The counterfeit year tab almost disintegrated as I removed it, due to its poor quality. Nunez was the registered owner of the vehicle and was in possession of the counterfeit tab. I believed Nunez had knowledge false 2017 tab was displayed on her vehicle with the intent to avoid paying registration fees or being detected by law enforcement. Nunez was in violation of:

VC§ 4463. False Evidences and Uses of Documents, Licenses, Devices, Placards, or Plates

(a) A person who, with intent to prejudice, damage, or defraud, commits any of the following acts is guilty of a felony and upon conviction thereof shall be punished by imprisonment in the state prison for 16 months or two or three years, or by imprisonment in a county jail for not more than one year:

(1) Alters, forges, counterfeits, or falsifies a certificate of ownership, registration card, certificate, license, license plate, device issued pursuant to Section 4853, special plate, or permit provided for by this code or a comparable certificate of ownership, registration card, certificate, license, license plate, device comparable to that issued pursuant to Section 4853, special plate, or permit provided for by a foreign jurisdiction, or alters, forges, counterfeits, or falsifies the document, device, or plate with intent to represent it as issued by the department, or alters, forges, counterfeits, or falsifies with fraudulent intent an endorsement of transfer on a certificate of ownership or other document evidencing ownership, or with fraudulent intent displays or causes or permits to be displayed or have in his or her possession a blank, incomplete, canceled, suspended, revoked, altered, forged, counterfeit, or false certificate of ownership, registration card, certificate, license, license plate, device issued pursuant to Section 4853, special plate, or permit.

I searched Nunez' purse for identification. I could not find any. However, I did find four prescription pill bottles prescribed to Nunez. I gave them to paramedics. I removed the IPA beer bottle from her cup holder. The bottle was more than half consumed and cold to the touch. I walked across the street to the Market to Market Liquor store to ask if the price label belonged to them. I spoke with the clerk. The clerk stated he witnessed what happened with Nunez across the street from the liquor store. He stated he sold the IPA to Nunez earlier and she had appeared fine.

I returned to the ambulance. Nunez was uncooperative with paramedics and refused to follow their instructions. While lying on the gurney inside the ambulance, she began to kick her legs, almost hitting paramedic, (b)(5)(B). He told her to stop moving and kicking. Due to her violent behavior, I began to video record Nunez' actions. I was able to records a brief video of her inside the ambulance. Nunez requested someone call her mom to take custody of her children. In the ambulance, I received phone numbers for her mom, (b)(5)(B) and her step-dad, Deputy Gomez. I gave Sergeant Gurrola both phone numbers. Sergeant Gurrola made all the telephonic notifications and remained with the children until they were released to an adult.

Nunez was transported via AMR to Sharp Coronado Hospital for medical evaluation and treatment. I followed AMR to the hospital. I took Nunez' purse to the hospital so she would be able to take it with her to Las Colinas Detention and Re-Entry Facility (LCDRF). At the hospital, I emptied her purse to place the contents in the appropriate jail booking bag. In her purse, I found a receipt dated 3/30/17 at 4:37 pm from the IB Forum Sports Bar and Grill located at 1079 Seacoast Drive. Nunez purchased three (3) "Idiot" IPA pints and food for a total bill of \$38.46. I took photographs of her medication. She was prescribed 0.5 mg of Lorazepam (two pill bottles, Ativan), 10 mg of Zolpidem (Ambien) and 30 mg Paroxetine (Paxil). All prescriptions had warnings the drug may cause dizziness and drowsiness. They warned about operating a vehicle, vessel or machinery. Some indicated not to be taken with alcoholic beverages.

At Sharp Coronado Hospital, Nunez continued to be argumentative. She demanded to know why she was being arrested. I informed her of her charges. Nunez requested to use the telephone. I informed her she could use the phone when she was booked into LCDRF. Nunez stated she knew her rights and demanded to call her mom. I repeated to Nunez she could use the phone when she reached LCDRF. Nunez then became upset that she had not been read her Miranda rights. I informed her she was not being interrogated further and she did not need to have her rights read to her. Nunez demanded I read her Miranda rights. I read Nunez her Miranda rights. She answered, "Yes" to question one and "No, I want to speak with my attorney" to question two.

I explained to Nunez her booking intake and personal property form. She read and signed the form and was given her appropriate copy. I explained to Nunez the medical records release. She read and signed the released and was given a copy.

Nunez sustained a fracture in her right arm between her shoulder and elbow. She did not require immediate surgery or a cast. Her arm was wrapped in medical compression gauze and placed in a sling. Per Sharp Coronado Hospital, her fracture was a simple fracture and was to heal on its own. Nunez was referred to a specialist when she was released from custody. Nunez complained about her pain. Medical staff refused to give her medication due to her level of intoxication. Eventually, just prior to being medically cleared for jail booking and discharged from the hospital, Nunez was given Norco for her pain.

Deputy Arvanitis and I transported Nunez to LCDRF. She informed medical staff she suffered from depression and anxiety and took medication. Nunez was booked without incident on 3/30/17, at about 2318 hours.

On 3/31/17, at about 1440 hours, I received Nunez' medical records from Sharp Coronado Hospital. In review of her records, physician notes stated Nunez' alcohol level was **(b)(5)(C)**. The medical records were entered as evidence into the Imperial Beach Station Evidence.

This concluded my involvement with the incident.
